

E-Z UP® INSTANT SHELTERS®

HOW TO SET UP YOUR E-Z UP® INSTANT SHELTER® SCREEN ROOM ACCESSORY

E-Z UP® SCREEN ROOM SET UP:

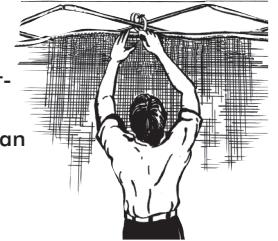

1 Set up your E-Z UP® Instant Shelter®. Before starting to hang the screen room, fold the top fabric back halfway at each corner. The screen will wrap around each corner, fitting under the top and against the frame.

2 Facing the side of the E-Z UP® where the zippered entrance will be, locate the zipper on the right and wrap the nearest 'Toggle & Loop' strap over the lower truss. Walk the screen room around all four legs. Locate the left zipper and wrap the nearest 'Toggle & Loop' strap to the lower truss where you started.

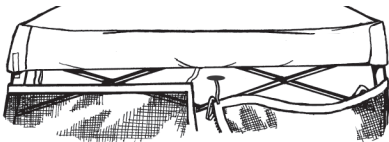

3 From the inside of your E-Z UP®, attach all remaining 'Toggle & Loop' straps working your way around the shelter. Pull the E-Z UP® top back down over the screen at each corner. The Ends of the screen room can now be zippered together.

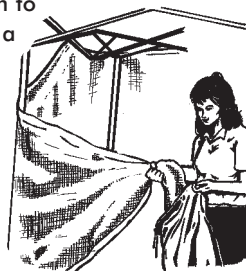

E-Z UP® SCREEN ROOM TAKE DOWN:

1 Fold top fabric back from each corner, as shown below. Completely unzip screen entrance.

2 Remove the 'Toggle & Loop' straps closest to the zipper. Gather the screen from bottom to top and place into a storage bag*. Continue from strap to strap until all of the screen room is entirely packed.

* Storage Bag Not Supplied.

WARNING: KEEP ALL FLAME AND HEAT SOURCES AWAY FROM THIS SCREENROOM FABRIC.
